*telecommunication workers benefit plan*

**September 27, 2005**

## **IMPORTANT NOTICE**

**TO: Members of the Telecommunication Workers Benefit Plan**

At a recent meeting, the Board of Trustees approved that the Benefit Plan will continue to cover life insurance and will honour any Survivor Income Benefit claim during the current labour dispute.

What this means to you as a member is that in the event of your death during the labour dispute, you will continue to be covered for life insurance and that any SIB claim will be honoured. You will not be requested or required to make a contribution to the Plan to continue your coverage.

The financial impact to the Plan will be assessed at the end of the labour dispute, at which time a supplemental contribution increase may be required.

If you have any questions please contact the Benefit Plan administration office.
