

telecommunication workers pension plan

IMPORTANT NOTICE FOR ALL RETIRED MEMBERS OF THE TELECOMMUNICATION WORKERS PENSION PLAN

In 2013 the Telecommunication Workers Pension Plan will be conducting an audit of all retiree records in payment. The audit is to ensure that the person receiving the payment is in fact the person for whom the pension is intended. This notice is intended only for the purpose of putting all pensioners on advance notice.

The audit form is called the Pensioner Declaration 2013 and will be sent to every pensioner in early April 2013. Pensioners are required to sign, date and have this form witnessed and returned to the TWPP administration office. A return envelope will be provided. The deadline date for receipt of the Pensioner Declaration 2013 form will be June 15, 2013.

PLEASE NOTE: It is important that the Pensioner Declaration 2013 form is returned by the deadline date. Pensioners that do not return the form by June 15, 2013 will have their pension payments suspended until such time as the form is completed and returned. Once the form is received, payments will resume and any payments that were suspended will be backdated.

For members who will be out of the country or not available between April to June 2013, please go the Plan's website at www.twplans.com and print off a copy of the Pensioner Declaration 2013 form. You will find the form under Events and Notices. Simply print off a copy, complete it and return it to the TWPP administration office by mail or send by email to general@twplans.com, or you can contact the TWPP office at 604-430-1317 and request a form be sent to you. If you do not know your Member ID you can use your Social Insurance Number as your ID number. For all other pensioners we ask that you please wait until April 2013 when the form will be mailed to you.

Should you have any questions please contact the TWPP Administration office.
