Re: Extended Health and Dental Premiums – Group Plans #909889

Each year, the Trustees of the TW Pension Plan in conjunction with Pacific Blue Cross and the Plan's consultants conduct a review of the financial experience of the Retiree EHC and Dental plans. These benefits are 100% experience rated and as such, the premiums charged are based solely on the experience of the group along with provisions for administration expenses. Please note there has been a small increase of .20% for administration fees.

Based on this review please see the following changes to the premium rates:

Basic Extended Health Plan	- no change
Enhanced Extended Health Plan	- 5% increase
Dental Plan	- 5% increase

Starting **August 1, 2017** your monthly pension will be adjusted to reflect the new premium rate if applicable and the monthly rates will be as follows:

	Single	Couple	Family
Basic EHC Premiums	\$36.95	\$75.69	\$75.69
Enhanced EHC Premiums	\$90.03	\$185.05	\$185.05
Dental Premiums	\$37.76	\$75.58	\$110.82

Should you have any questions please feel free to contact the TWPP administration office.
